ADDITIONAL NOTES:

1) Other reports completed this year:

   - *Admissions Indicators and Practices Leading to the Success of Mature Students* bccat.ca/pubs/maturestudentadmissions2016.pdf
   - *Exploring Available Data Sources to Measure Success of Associate Degree Students* bccat.ca/pubs/AssociateDegreeReport_June2016.pdf
   - *Applicant Data in Centralized Application Agencies and the Implications for British Columbia* bccat.ca/pubs/ApplicantData_Nov2016.pdf

2) BCCAT collaborates with the Student Transitions Project (STP) on a number of projects. See www2.gov.bc.ca/gov/content/education-training/post-secondary-education/data-research/student-transitions-project for access to recent publications.

3) BCCAT also oversees and publishes reports and resources related to Transfer Innovation (TI) projects undertaken by articulation committees and groups. These projects are designed to enhance transfer and articulation within specific disciplines, and are available online through respective committee pages. For more information, see bccat.ca/articulation/projects and bccat.ca/articulation/committees
