

# BCCAT Publications & Resources

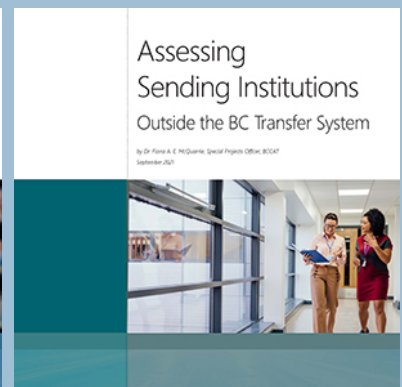

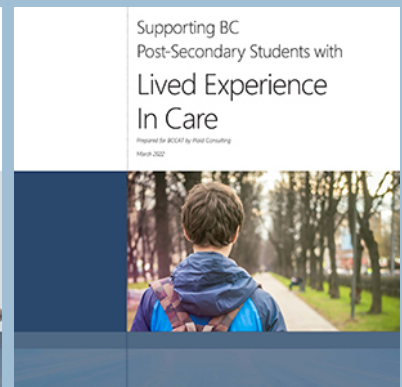

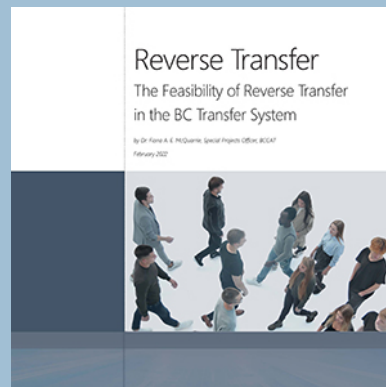

BCCAT provides a wide range of publications and resources to inform and support institutional partners and the post-secondary transfer community in BC and beyond.

Publications are searchable at [bccat.ca/search/publications](https://bccat.ca/search/publications).

## Research Reports

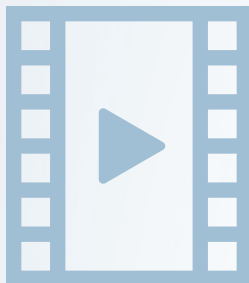

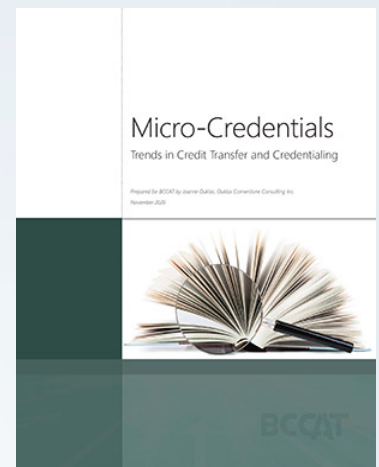

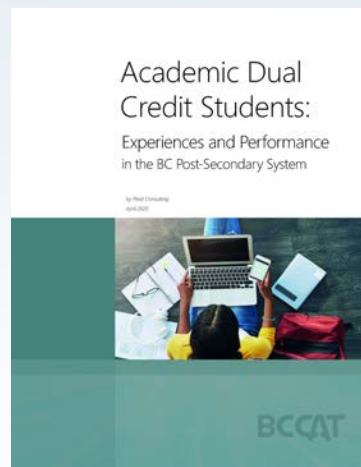

BCCAT research projects focus on topics impacting student transfer, mobility, access, and admissions. Research findings advance our shared understanding and inform policies and processes that better support post-secondary student journeys.

PATHWAYS PARTNERSHIPS WITH  
INDIGENOUS INSTITUTES:

Check out these related pieces :  
the [full report](#), [video](#), and [infographic](#).

## Multimedia

BCCAT videos are available at our [YouTube Channel](#). Check out the JAM 2021 highlights or session videos, an "animated tour" of [BCTransferGuide.ca](#) or our "Research Factor" or "Transfer Stories" playlists.

## Guides/Handbooks

BCCAT facilitates BC's 65+ provincial articulation committees. The "How to Articulate" handbook and "Articulation Committee Companion" are two key resources designed to inform and equip articulation committees members and those involved with articulation and transfer agreement processes.

# Student Info

BCCAT produces a range of materials to inform students, advisors, and others about transfer and using [BCTransferGuide.ca](http://BCTransferGuide.ca) for transfer pathway planning.

The "Find Your Path" viewbook, bookmarks, postcards, and posters are all available at [bccat.ca/about/news](http://bccat.ca/about/news).

## PLANNING TO TRANSFER?

If you know what you want to study, and if you are hoping to transfer to a different institution in the future, it's never too early to check out [BCTransferGuide.ca](http://BCTransferGuide.ca) to see how your courses would transfer from one institution to another.

See the following pages for information about transferring within and across BC.

# Pathways & Partnerships

## Strengthening Community & Collaboration in Support of Learner Mobility

Introducing... [BCCAT's 2021-22 Annual Review](#)! This report provides an overview of key projects and activities undertaken by the Council.

BCCAT works with post-secondary partners to improve and expand transfer credit pathways in support of mobile students. Constructive collaboration and respectful partnerships are critical to address strategic priorities, and to enable and advance learner access and mobility.

Check out the full report or infographic summary to learn more about BCCAT and BC's remarkable transfer community!

## Student Mobility

BC post-secondary students are highly mobile, and [BCTransferGuide.ca](#) informs students as they plan their transfer pathways. Below are some key statistics on the BC Transfer System and the BCCAT network:

- **25** BC public colleges, institutes & universities;
- **14** private and out-of-province institutions
- **65** articulation committees and **1000s** of faculty and staff
- Over **400,000** academic course credits are recognized for transfer by BC public institutions each annually
- Over **55,000** students move between BC public post-secondary institutions annually
- The BC Transfer Guide includes over **325,000** provincial, national and international course equivalencies and over **1,400** program pathway agreements.
- **45%** of baccalaureate degree grads attend more than one institution

Find out more in this year's Annual Review!

Check out the full report or the infographic summary for highlights on key projects and activities!
