

BCCAT FALL UPDATE 2026

ARTICULATION COMMITTEE MEETINGS 2026

Most of BC's 66 provincial articulation committees meet between March and July each year. This year, BCCAT staff attended 42 meetings, either virtually or in person. Most committees chose to have an in-person meeting with a virtual attendance option. The most common topics of discussion at the meetings were:

- Lack of institutional support for in-person attendance at articulation committee meetings
- The short- and long-term impacts of program closures and suspensions
- The short- and long-term impacts of faculty and staff layoffs, terminations, and non-renewals of contracts
- The impact of AI on student learning and course transferability

Articulation committee leaders and meeting hosts are volunteers. BCCAT thanks them for their hard work, and also thanks articulation committee representatives that attended the meetings. Articulation committees create connections between institutions and programs, and are an essential part of the BC Transfer System.

ARTICULATION COMMITTEE LEADERS – UPDATE US!

Many articulation committees appoint new chairs, co-chairs, or other committee leaders at their meetings. Please be sure to send BCCAT the names and contact information for new committee leaders, so that the BCCAT website can be updated.

JAM 2026

This year's Joint Annual Meeting (JAM) will be held online Thursday, November 5 and Friday, November 6, with the theme of "Stay Tuned: Sustaining Harmony in Interesting Times". This free event is open to anyone with an interest in transfer, articulation, and student mobility. The session topics for this year's JAM include:

- Transferring credit from trades programs to undergraduate programs
- Student transfer credit appeals
- The effect of AI on academic integrity and transfer credit
- Transferring credit from Canadian military programs to post-secondary programs
- A look ahead for the future of BC transfer credit system partners

Registration for JAM is now open at [BCCAT JAM 2026](#)
