What is transfer?

A student “transfers” when they move from one institution to another and their new institution gives them credit for previously completed education.

“I love the BC Transfer Guide. I’ve used it so much I have it tattooed on my brain!”

Why transfer?

Every year, thousands of BC students move between BC post-secondary institutions for reasons like these:

- start out living closer to home
- save money and time
- smaller class sizes
- improve grades / improve access to post-secondary
