"UBC's Student Communications Services Team exemplifies collaboration and excellence at the highest level. In their design of the UBC Transfer Credit Search Tool they consulted with multiple stakeholders including user-experience sessions with transfer students and student advisors. They very quickly learned the details of transfer articulations and the needs of transfer students in order to design a tool that would maximize student user experience." - Paola Baca, Associate Director, Undergraduate Admissions, UBC Enrolment Services

Debbie Lin

Manager, Transfer Credit, Undergraduate Admissions, UBC Enrolment Services

“When Debbie Lin assumed the role of Manager, Transfer Credit in early 2018, she made this (the development of the Transfer Credit Search Tool) her priority. She was a tireless champion of the project. The final online search tool is the result of and exemplifies true collaboration between Debbie, UBC Student Communications Services, BCCAT, and numerous stakeholders across both UBC campuses.” - Sam Saini, Associate Registrar, Undergraduate Admissions and Student Recruitment & Advising, UBC Enrolment Services

About the UBC Transfer Credit Search Tool:

In May 2019, UBC launched the UBC Transfer Credit Search Tool (students.ubc.ca/enrolment/registration/transfer-credits/search-tool). The tool allows users to search for transfer credits at UBC from courses completed within BC, across the rest of Canada, the United States, and abroad. The first of its kind in BC, this online transfer credit search tool makes more than 50,000 equivalencies from over 600 institutions publicly available on UBC’s websites. It has been well-received by UBC students, staff and faculty, and by colleagues in the BC transfer system who wish to engage with BCCAT to launch similar collaborative technology projects.”- UBC Enrolment Services
