SPRING UPDATE 2024

Spring Articulation Committee Meetings

Most of the articulation committees that BCCAT supports hold their annual meetings between March and June. BCCAT encourages committees to have an online attendance option for their meetings, to be inclusive of representatives who may not be able to travel and/or who may not be comfortable spending time in enclosed spaces.

BCCAT tries to send staff members to as many meetings as possible, to provide updates on BCCAT activities and to provide information as needed. If your committee has chosen a meeting date, please notify Anabella Chun, BCCAT Committee and Technology Support Coordinator achun@bccat.ca as soon as possible.

Articulation Committee Updates

The Adult Special Education (ASE) articulation committee is now the Accessible Education and Training (AET) articulation committee.

The Electronics Technician articulation committee is no longer active and has been removed from the list of articulation committees supported by BCCAT.

JAM 2024 - Save the Date

BCCAT's annual JAM (Joint Annual Meeting) will be held this year on Thursday, November 7, and Friday, November 8 (format to be announced) at the Paradox Hotel in Vancouver.

Anyone who is interested in, or involved in, transfer and transfer-related issues is welcome to attend. Registration will open in early fall.

The presentations and sessions from JAM 2023 are all available on the BCCAT website *https://www.bccat.ca/articulation/jam/*.

BCCAT Transfer Awards 2024

The BCCAT Transfer Awards recognize individuals or groups who have demonstrated exemplary leadership in the BC post-secondary system through activities that have made a significant and valuable contribution to the transfer community.

BCCAT's post-secondary partners are invited to acknowledge and celebrate the outstanding achievements of colleagues and associates who undertake the important work of supporting student mobility in BC day-in and day-out.

For more info, see *https://www.bccat.ca/about/awards*

Transfer and Articulation

UBC has updated their subject prefixes to now include a "_V" for subjects offered at the Vancouver campus, and "_O" for subjects offered at the Okanagan Campus. For example, "UBCV MATH 100" is now "UBCV MATH_V 100", and "UBCO BIOL 205" is now "UBCO BIOL_O 205" etc. UBC course listings have been updated in the BC Transfer Guide to reflect these updates. There are no changes to course equivalencies.

Articulation Resources

BCCAT has two guidebooks for participants in the articulation process, and for articulation committee representatives and leaders. Both of these resources have been updated and are now available on the BCCAT website.

How To Articulate (2023 Edition)

New BCCAT Council Chair

Angus Graeme, the recently retired President of Selkirk College, is the new co-chair of BCCAT Council, the appointed body that oversees BCCAT's operations. Angus replaces Jim Hamilton, former President of Okanagan College, who has also retired. BCCAT thanks Jim for his service and looks forward to working with Angus in his new role.
